

# 2017 A Year In Review

Home

We have called RVA home for the past 16 years.

## Top four *most awesome* things of 2017

1

- Cassidy and Ella were both baptized this year. We pray that they will grow in their faith with the gifts that they have.

2

- Ministry: visiting a women's prison, seeing RVA students come to the Lord, coaching students in sports and interactions with coaches from other schools.

3

- Camping trip to the Mara. One of the natural wonders of the world. Beautiful and wild. Many animals passed by our campsite for us to see.

4

- A new weight room, P.E. office and equipment storage, and P.E. classroom added to the gym facility. Many new opportunities for students to learn how to have an active lifestyle.

Married for 21 years.
